ISPIM HISTORISKE ARKIVER 1974 – 2007

Oppbevart og avlevert av Knut Holt

ISPIM er et verdensomspennende nettverk av akademikere, ledere, rådgivere og andre involverte i innovasjonsledelse. ISPIM's mål er å skape en verdensomspennende nettverk av eksperter som skal sørge for samarbeid mellom sine medlemmer og være langt fremme når det gjelder innovasjonsforskning.

The International Society for Professional Innovation Management (ISPIM) is a worldwide network of academics, business leaders, consultants (A, B, C) and other professionals involved in Innovation Management.

ISPIM's goals are to create a worldwide network of excellence in the field of innovation management, to enhance collaboration between its members and to be at the forefront of research on innovation.

The archivesenter is a long – distance depository for several public institutions in the Trondheim area, including the Norwegian University of Science and Technology. It is located in a rebuilt u-boat bunker built by the Germans during the Second World War. It can be reached by taxi and is in walking distance from the center of Trondheim.
