

**APPLICATION FORM, INDIVIDUAL SYLLABUS (BI3091 – 7,5 credits)
DEPARTMENT OF BIOLOGY**

GUIDELINES: The special syllabus (BI 3091: 7,5 credits) must be approved by the Department. The syllabus is not to be a central part of the thesis, but rather be of a more over-viewing character. It should give a broader scientific understanding, and preferably be of newer date. **Litterature used as syllabus in subjects of lower degree will not be approved!!** Reports can only be used exceptionally. The exam in BI3091 is given as part of the final master's degree exam. The total syllabus corresponds to 60 credits.
