**Please answer both question one (1) and question two (2). The two questions carry equal weight.**

**1. Please define and explain the history and background of the following two concepts.**

Do not use more than 3 pages per concept.

- Development
- Globalization

**2. Please discuss:**

Several of your course readings engage with how processes of Globalization and Development are inter-linked. With reference to some of your own readings about the situation in the Global South please explain how such inter-linkage is understood and described.
