Answer **both** question 1 and question 2. Question 1 counts 30% and question 2 counts 70%.

Question 1: Define and discuss **two** of the following three concepts:

Circular migration

Push/pull

Feminization of migration

Question 2: Answer **either** a) or b)

a) Explain the relationship between diaspora and development as it is discussed in the course literature. How can diaspora be a positive but also play a more negative role in development?

b) “New Economics of Labour Migration (NELM)” has been an influential approach for understanding migration and development. Explain the emergence of this approach, its main components, how it may be used and how it has been criticized in the literature.

You may refer to the definitions in Question 1 when answering Question 2.

Good luck!
