Permitted examination support material: None

Language: English
Number of pages: 2
Number of pages enclosed: 0

Please answer 2 out of 3 questions

Question 1

Discuss the role of entrepreneurship and innovation in regional restructuring initiatives. Provide some examples.

Question 2

Define the concept of Global Production Networks and explain how they are geographically organized. Discuss the process of strategic coupling to global production networks in regards to regional development.

Question 3

Compare the ideas of 'government' and 'governance' in regional development, particularly with regard to the role of the state.

Both questions must be marked better than F in order to pass the examination. Each is weighed 50 % of the total mark.
