Please answer both question one (1) and question two (2). The two questions carry equal weight.

1. Please define and explain the background for two of the following concepts.
   Do not use more than 2 pages per concept.
   
   • Neo-liberalism
   • Political ecology
   • Postcolonialism

2. Please discuss:

   Rigg (2007) argues that Globalisation leads to **multiple modernities**. Explain briefly what is meant by multiple modernities in Rigg’s book and discuss some of the ways such modernities can be seen and understood in the Global South.
