Exam questions GEOG 3522, autumn 2013

Question 1: Define and discuss two of the following three concepts:

- Securitization of migration
- Migrant
- Conspicuous consumption

Question 2: Answer either a) or b)

a) **Climate change and migration**: what is the relevance for the discussions on migration and development and what are the connections between climate change and migration. Provide examples.

b) **Theories of migration and development**: introduce the main theoretical approaches to migration and development. Discuss the relevance of the theories for today’s trends in migration and development.

You may refer to the definitions in Question 1 when answering Question 2.

Good luck!
