

Aesthetic Environments: Sites of Production, Interaction, and Reception

PhD Training Seminar, December 1-3, 2025
Centre Universitaire de Norvège à Paris (CUNP), Paris

Application form

- Name
- Affiliation
- Address
- Private address
- E-mail address
- Telephone
- Supervisor
- Title of your ongoing PhD project
- A few lines about what makes the seminar relevant for your PhD work
- At what other TBLR-courses have you participated?

Deadline 1st of October 2025

Application is to be send to Charles Armstrong (Charles.Armstrong@uia.no) or Sigurd Tenningen (Sigurd.tenningen@uia.no)

NB: There are a limited number of places available. If the number of applicants exceeds the available places, the following selection criteria will be applied: (1) How early you submitted your application, (2) The relevance of the project to your PhD thesis, (3) Your home institution and the number of PhD students coming from your home institution (we try to involve as many of the funding institutions as possible), (4) earlier participation in TBLR courses.
