Date  Signature

Students will find the examination results in Studentweb. Please contact the department if you have questions about your results. The Examinations Office will not be able to answer this.
Please answer ONE of the following two questions:

1. “The recognition of children’s social agency and active participation in research has significantly changed children’s position within the human and social sciences.” (Christensen 2004)

   Discuss this statement by using literature from the course readings.

2. Describe and discuss important issues for a researcher to consider before doing fieldwork with children as informants.
