Students will find the examination results in Studentweb. Please contact the department if you have questions about your results. The Examinations Office will not be able to answer this.
Answer only one of the following two questions:

1. Explain different perspectives on children’s work and how these are related to perspectives on education. Discuss the implications (positive and negative) of promoting the idea of children’s right to work for boys and girls who live in the contexts of poverty.

2. Elaborate on different perspectives on ‘street children’ within research and policy-making, and discuss their policy-implications.
