GeoTermos – Festivalen

22.05.2025

 **NTNU** | Energy

# Interdisciplinary Research Teams

Team  
Battery

Team CCS

Team  
Hydrogen

Team  
Hydropower

Team LMIC

Team  
Nuclear

Team  
Smartgrid

Team  
Society

Team Solar

Team Wind

Team  
Bioenergy

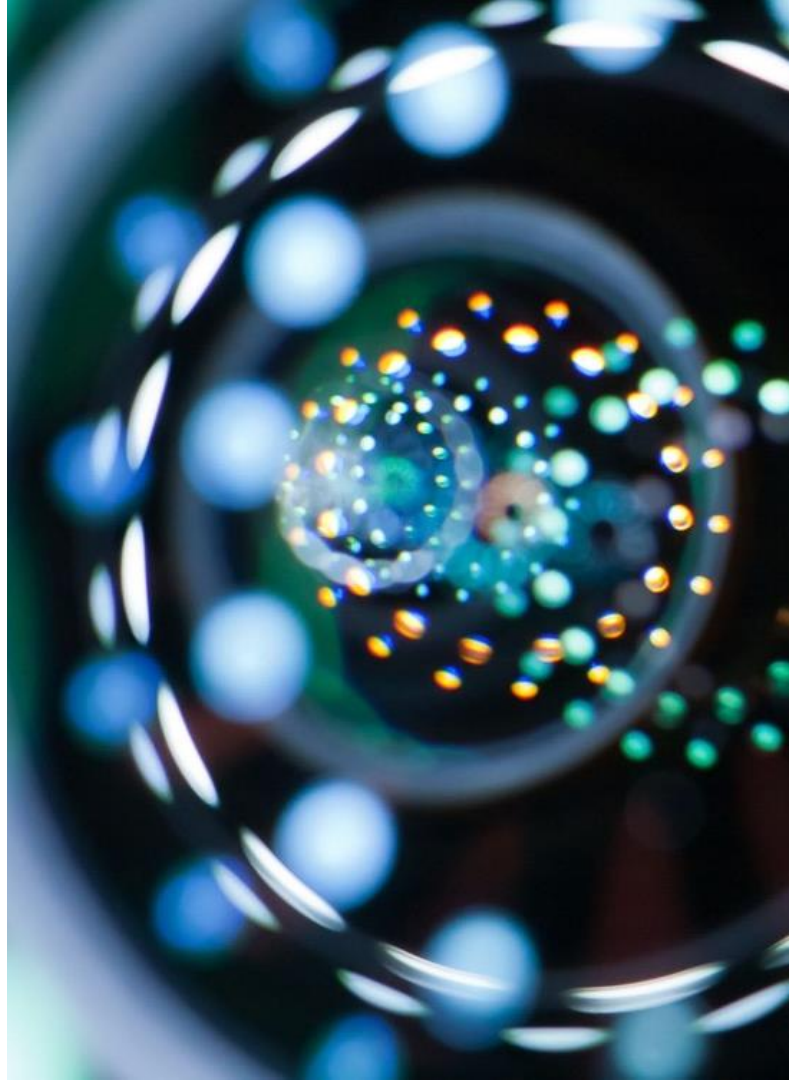

Team  
GeoEnergy

Team Built  
Environment

# The Focus Areas

- The Renewable Revolution
- The Transformation of Energy End Use
- Resilient and Integrated Energy Systems
- Beyond the Fossil Fuel Era
- Sustainable Innovation and Upscaling of Energy Technologies
- Leapfrogging to the Front
- Artificial Intelligence for the Digital Transformation

# Activities at NTNU Energy

## Research visibility

- Representation of topic on varied forums
- Events – Arendalsuka, NTNU Energikveld
- Courses on dissemination
- Support for chronicles

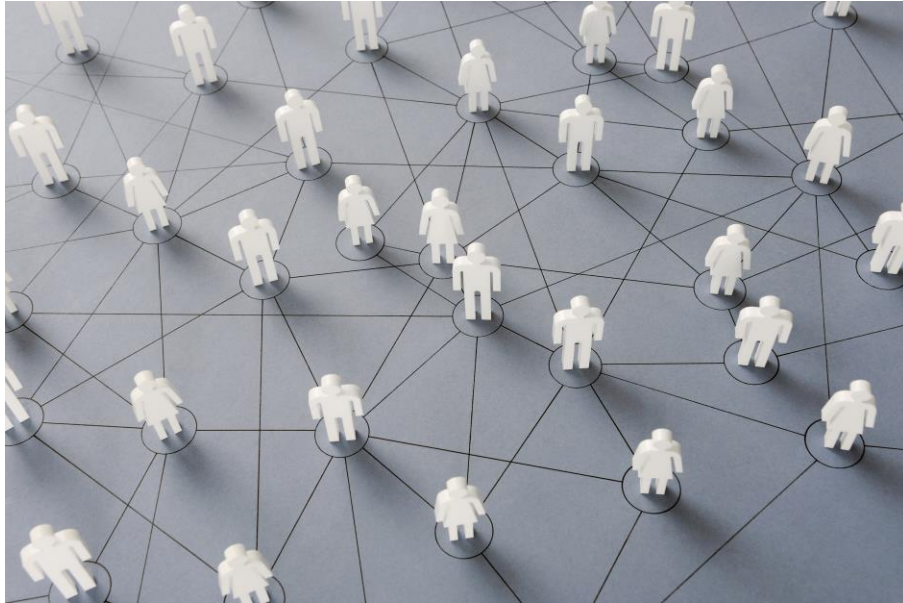

## Connection to industry

- Link to NTNU Energy Transition Initiative
- Dialogue arenas brokerage events
- Advice
- Innovation

## Tailor-made internal activities

- Meeting places
- Breakfast seminars for young researchers
- Preparation towards Horizon Europe, NFR calls
