

MASTER THESIS
ARCHITECTURE

Architectural Learning

TOWARDS A DIGITAL ACTIVATION OF OUR PAST

Candidate | Hugo André Mowinckel Nilsen
Supervisor | Jørgen Hallås Skatland

NTNU 2020

You are hereby invited to the official opening of the Space Laboratory. This is a digital presentation space for the master thesis. It has been created to tell the story of an exploration made into the topics of architecture and artificial intelligence, in the spring of 2020. Although you may view the Space Laboratory from a mobile device, it is recommended to visit through a large screen.
