Tes Resources: Disrupting lesson planning

The planning problem:

500 million lesson plans made each year in the UK alone

Disparate, multiple sources, difficult to access & increasingly obsolete text books

A global collaboration platform:

1.9m+ resource items

1m downloads a day

50,000 authors in 168 countries

Over 760k community reviews

“Connecting teachers all over the world - to inspire them to create, share, remix and deliver the best lessons”

One Billion Resource Downloads

Top 20 countries for all downloads in 2016

1 BILLIONTH DOWNLOAD

On May 11, 2017, Jon Whitley's Ancient Greece Murder Mystery became Tes Resources' one billionth download

The world needs teachers like never before

2030

By 2030 almost 26 million additional teachers will be required in primary education alone*

“The most valuable resource that all teachers have is each other. Without collaboration our growth is limited to our own perspectives”

Robert John Meehan
