

## Innovation and learning in energy policy: new pathways to sustainability?

Place: NTNU Dragvoll, "Rødkantina"

Date: December 12-14, 2012

### Programme

#### Wednesday 12.12

- 1030 Registration and coffee
- 1100 Welcome
- 1115 Knut H. Sørensen: ["Innovation and learning in energy policy – or just old wine in old bottles?"](#)
- 1200 Lunch
- 1300 Sjur Kasa: ["Knowledge as a political instrument in Norwegian climate policy"](#)
- 1415 Coffee

Presentations by participants:

- 1430 Romain Riollet, Université Toulouse II: ["Renegotiating the power sector's CO<sub>2</sub> emission quota: an empirical perspective on indirect EU energy policy innovation"](#)
- 1500 Tomas Moe Skjølvold: ["To regulate or not to regulate? On the use of knowledge in Norwegian policymaking on smart meters"](#)
- 1530 Jøran Solli, NTNU: ["Navigating Standards – Constituting Engineering Practices"](#)
- 1600 Break
- 1615 Bente Johnsen Rygg, NTNU/HiSF: ["Local governments' engagements with bioenergy"](#)
- 1645 Petr Spodniak, Lappeenranta University of Technology: ["The Meaning of Renewable Energy in the Context of Cost Discrepancies: A Discursive and Field Configuring Event Approach"](#)
  
- 1715 End
  
- 2015 Dinner at "To rom og kjøkken", Carl Johansgt 5.

#### Thursday 13.12

- 0900 Harald Rohrer: ["Civil society involvement in energy transitions: NGOs as drivers of a new energy policy?"](#)
- 1015 Coffee
- 1030 Siri Hall Arnøy: ["Scientists interacting with energy policy: the case of hydrogen"](#)
- 1145 Lunch
- Presentations by participants
- 1245 Manu Mathai, United Nations University, Yokohama : ["Towards a Sustainable Synergy: End-Use Energy Planning, Development as Freedom, Inclusive Institutions and Democratic Technics"](#)
- 1315 Tobias Møller Ruby, Technical University of Denmark, Copenhagen: ["Characteristics of university-industry collaboration in energy efficiency research and development – a comparison of actors, technological domains and network structure in seven focus areas"](#)

- 1345 Daniel Gabaldón-Estevan, Eliseo Monfort-Gimeno, Ana Mezquita-Martí and Eva Vaquer-Cañete, University of Valencia/Universitat Jaume I de Castelló: ["Energy Policy and the Spanish Ceramic Tile Sector"](#)
- 1415 Coffee
- 1430 Arian Mahzouni, Royal Institute of Technology, Stockholm: ["The role of NGOs in enhancing retrofit policy in Stockholm: an institutional analysis"](#)
- 1500 William Throndsen, NTNU: ["Developing smart metering technologies in the perspective of a Norwegian network owner"](#)
- 1530 Break
- 1545 Cian O'Donovan, SPRU, University of Sussex: ["The diffusion of green innovation systems: wind in Ireland"](#)
- 1615 Marius Korsnes, NTNU: ["Policy innovation in China's experimentation with wind energy"](#)
- 1645 End
- 1900 Dinner at Bryggen Asian Cooking, Øvre Bakklandet 66

### Friday 14.12

- 0900 Rob Raven: ["Transition policies for sustainable energy innovation: protective space dynamics in the Netherlands and the UK"](#)
- 1015 Coffee
- 1030 Henrik Karlstrøm: ["Behind the scenes: Policy and profession in economisation processes"](#)
- 1145 Lunch
- Presentations by participants
- 1245 Béatrice Cointe, CIRED: ["Making incentive policies fit for photovoltaic: a look back at the French case"](#)
- 1315 Lars Strupeit, Lund University: ["The need for local learning to support emerging energy technologies: the case of photovoltaic systems on buildings in Germany"](#)
- 1345 Heidrun Åm, NTNU: "Developing Solar Cell Technology: Scientists as Actors in a Transition to Renewable Energy"
- 1415 Coffee
- 1430 Robert Jomisko, NTNU: "Reframing Science for Policy Reform"
- 1500 Wrap-up
- 1515 End
