

# Ongoing Projects

Here is a template for project and master thesis reports: [Tools for Students](#).

Here are other templates for Computer Science (AI) Masters: <http://research.idi.ntnu.no/aimasters/files/>

Below will be a description of recent/ongoing student projects in FUIROS for **2015-2016**

Andre Potensielle oppgaver:

- Nærmeste busstopp, gangtid, og ruteopplysning derifra.

Some old reports are listed on [Project Reports](#), [Master Theses](#) and [other publications](#)
