Some lecture notes

TDT39 does not have lectures. These lecture notes are from IT3010 lectures. Both courses use the same book. TDT39 students should also find these useful.

- Lecture 1: Introduction.
- Lecture 2: Purpose and product of research.
- Lecture 3: Reviewing the literature.
- Lecture 4: Design and creation.
- Lecture 5: Interviews and observations.
- Lecture 6: Data analysis.
- Lecture 7: Research paradigms.
- Lecture 8: Case studies.
- Lecture 9: Experiments.
- Lecture X: Research questions.
