

Booking and logging procedures for the XRD-lab

Getting started with the booking system

Create an account in the booking system: [Description](#)

Create your booking/logging in the [booking system](#):

Instrument	Booking	Logging
DaVinci1	Booking system, see (a) below	Booking system, see (a) below
D8-Focus	Booking system, see (b) below	Booking system, see (b) below
A-unit	Booking system, see (c) below	Excel log, see (c) below
DaVinci2	Booking system, see (c) below	Excel log, see (c) below
D8-Advance	Contact lab responsible	Excel log on instr. PC

- a. [Description](#) for the routine powder XRD with queue system (DaVinci1)
- b. [Description](#) for the bookable XRD instruments: the 9-position powder XRD (D8 Focus)
- c. [Description](#) for the non-routine XRD instruments: Siemens D5005 (A-unit) and the multipurpose XRD (DaVinci2)

Booking XRD when you are using the special sample holders

Please see this [document](#) that describes the different types of sample holders, and how to book them (only relevant for special sample holders).
