

Nabertherm HTCT 08/16

Application

Technical data:

- Temperature limit: 1600 °C
- Heating up period:
- Inner dimensions: w/h/d = 170/170/290 mm
- Outer dimensions: w/h/d = 490/540/630 mm
- Controller: Nabertherm C 450

- Production number/Serial Number: 339182
- Production year: 2016
- Effect: 13,6 kW
- Voltage: 220-240 V 3/PE

Other features:

- Over temperatur limiter
- Ethernet Port

Uses:

- Annealing, tempering

Controller C450
