TDT11 Digitalisering i offentlig sektor

This is the home page for the course TDT11 Digitalization in the public sector. The course is for maximum 6 students. We prioritize those who do autumn project within related areas.

The course will be in form of a colloquium. We will have a list of papers to read and present to each other. The deliverable from the course will be a 4-page essay.

More information to come.

  Babak A. Farshchian posted on Sep 03, 2021
  For mandagen kan dere skrive en epost til meg om hvordan du ser for deg essay skal se ut, hva du har tenkt å bruk som underlag (litteratur, nyheter osv.), litt om tematikken og hvordan du vil vinkle dette inn som en public sector digitalization problematikk.
  For tirsdagen vil du få anledning til å presentere dette, enten muntlig eller med PPT. Du velger!
